ABOUT US

We opened in 2016 with a dream to help clients find the best quality stone for an affordable price. What started out as a small trucking company in Connecticut, has transformed into a nationwide operation, producing and supplying over 80,000 tons per year. Our products are available in palletized, bulk or by the railcar. Our team has years of experience in the field, allowing us to solve any problems that arise quickly.

Our equipment is modern, efficient and well maintained, this ensures that our deliveries are made on time and our stockpiles stay as full as the weather allows. No matter what your company needs, the team at DeFeo Materials is here to help. Contact us today with any questions or concerns.

DeFeo Materials is, your one stop shop for rocks!

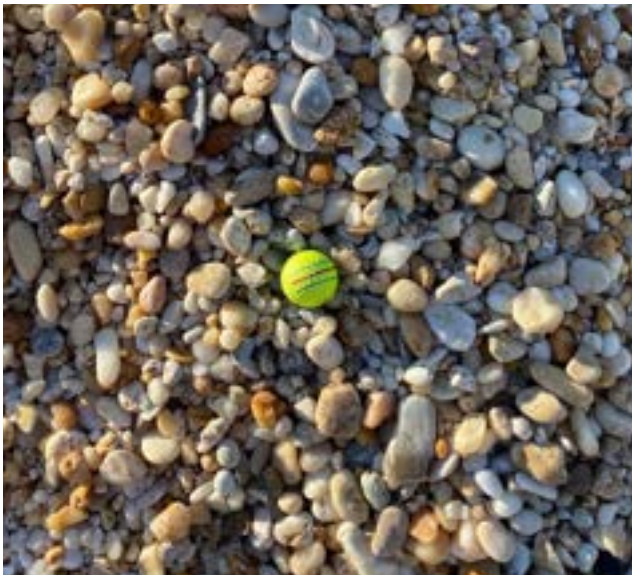

Bayside Skimmers

Bayside skimmers™ are similar to ocean pebbles and are a wonderful beach and sand colored round stone. With a caramel and tan looking stone like this along your property, your house will really stand out!

#57s

The most popular sizes are the #57s which is shown here.

1-2"

Shown here is the 1-2" Bayside Skimmers™. This is one of our company favorites and has grown popularity in the past couple year

Berkshire Blend™

This striking and colorful decorative stone is a rock formed deep in the Berkshire Mountains, and has some truly amazing colors. After we screen and wash this gravel, we see colors such as yellow, tan, white, gray and black. The Berkshire Blend is one of our most sought-after decorative stones we offer. It is a perfect decorative stone option because this intriguing rock is an affordable choice for landscapers, that is used in islands along parking lots, homes and businesses. Even when our Berkshire Blend is dry, its colors surpass all other decorative stone.

Berkshire Blend™

1/4"

Small rounded pea gravel.

3/8" or 1/2"

Our 3/8" or 1/2" Berkshire Blend makes for the perfect pea gravel.

3/4"

The 3/4" Berkshire Blend is perfect for seating areas and patios!

1-1/4"

The 1-1/4" is our best selling size. Great for walkways, flowerbeds and more!

1-3"

our 1-3" size is a beautiful semi-rounded stone.

Connecticut River Rock

Our native Connecticut River Rock is the perfect blend for any home. This stone is extremely popular in the New England area and is making its mark across the east coast. This stone comes in a variety of sizes to fit all your needs. The most popular size is 1/2"

1/2"

This is our most popular size. Great for walkways, parks and patios!

3/4"

3/4" is great for flower beds, driveways, walkways and more!

1-1/4"

This is our most popular size. It looks great around residential properties.

Hudson Valley River Rounds™

Hudson Valley River Rounds are found in sand and gravel deposits alongside the Hudson River. This stone has beautiful gray and purple tones. It is truly unique and will add a pop of color to any project.

3/4"

Perfect for walkways. A neutral, yet vibrant stone!

1-3"

The beautiful mix of colors will make any flowerbed or garden pop.

3-5"

Customers will find this size to be perfect around their gardens or pool areas.

New England River Rock™

New England River Rock is an excellent replacement to Delaware River Jacks. Many customers ask us if we sell "Upper Delaware River Rock" or "Delaware River Jacks".

The answer is no, why would we! Our landscape rock products are more colorful, setting the new gold standard in multi-colored round stone. New England River Rock is more round than Delaware River Rock, allowing for less pain on feet and better drainage as well!

Our stone offers some great colors including grays, pinks and maroons. We offer this product in 7 different sizes.

5/16" not pictured

New England River Rock™

3/8"

This smaller sized river rock is ideal for situations with sensitive foot contact applications.

3/4"

This smaller sized river rock is ideal for using hand tools to spread.

1-2"

Use our 1-2" New England River Rock™ in flower beds, islands and other landscape features

2-4"

Great for any residential or commercial projects. This size is also perfect for superior drainage and as an erosion control.

3-5"

Often used for landscaping projects such as creek beds, lining gardens and more!

5-10"

Use our 5-10" "New England River Rock on hillsides, water features, ponds and river diversion projects where round riprap is required.

Niantic River Rock

Our Niantic River Rock blend is a beautiful multicolored round gravel. This stone has a lot of red tones compared to other options. Perfect for those who are looking for a colorful bulk option. This product looks beautiful alongside any property.

3/4" - 1-1/2"

3/4" is perfect for pathways and gardens.

2-4"

2-4" is generally used for flowbeds, medians, commercial properties and more.

Slate

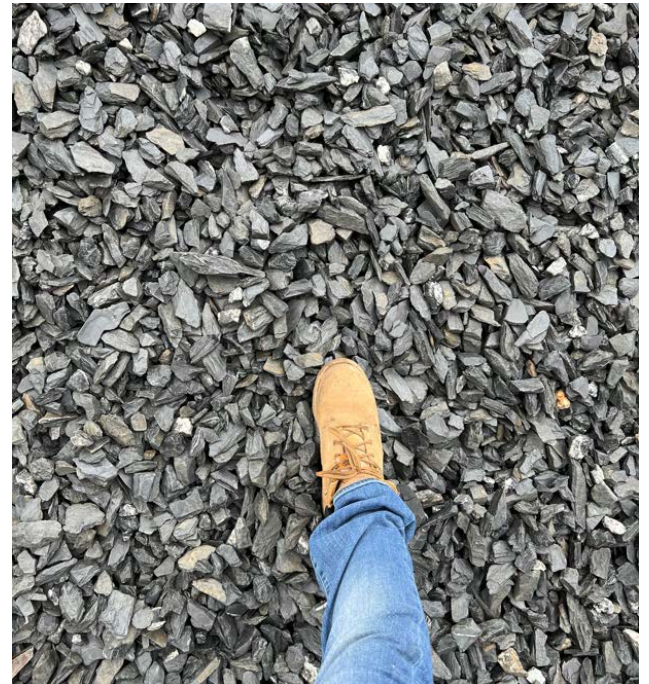

Slate is a cost effective way to replace mulch products. Slate rarely loses its color giving your customers a maintainable stone. We offer this in black and red.

Red Slate

Sizes offered: 3/4", 1-1/2", 2-5"

Black Slate

Sizes offered: 3/4", 1-1/2", 2-5"

White Marble

Use this crushed stone for driveways, pools, walkways and all your landscaping needs!

White marble stone is a beautiful addition to promote class and elegance to any property.

3/8"

The 3/8" White Marble is perfect for driveways or walkways.

3/4"

3/4" White Marble is great for flower beds, driveways, walkways and more!

1-1/4"

This is our most popular size. It looks great around residential properties.

White Mountain Granite

Our White Mountain Granite is a beautiful option for all of your stone landscaping projects! It's a durable and beautiful replacement for white marble and porcelain white pebbles.

1/2"

1/2" is great for those looking for a small stone option. 1/2" stone is used for many landscape projects, more popular being driveways and walkways.

3/4" - 1-1/4"

This is a great mid sized option for your customers. We see a lot of homeowners use this for patios, pools, walkways and even flowerbeds!

Alabama Sunset

Our Alabama Sunset stone features a beautiful multicolor round stone. In this blend you can find, tans, creams, reds and orange hues, just like you would find in a sunset. This is a naturally round stone. Alabama Sunset looks beautifully polished when wet.

We offer the Alabama Sunset Blend in 1/2".

1/2"

Light tan and cream peagavel.

Black Granite

Black granite is a great option for a black landscaping rock. This decorative gravel can be used for multiple different projects. We offer the black granite in 5 different sizes, 1/2", 3/4", 1-1/2", and 2-3" and rip rap. This product is available in bulk and by rail.

Southeast Only

3/4"

The 3/4" Black Granite is best used on pathways, walkways and even around patios. In the photo above you can see the nice contrast it has with teak and wicker furniture.

1-1/2"

The 1-1/2" black granite is great for construction purposes and even as a decorative stone option. The great thing about this granite is that it is extremely hard and durable.

Palomino Creek Rock™

Palomino Creek Rock™ is a beautiful white, tan, and gold stone. This stone got its name from the beautiful palomino horse. With their chestnut coat, and white and cream tails we got our inspiration from this beautiful creature.

Southeast Only

#57

Light tan and cream peagavel.

1-4"

The 1-4" size is perfect for residential properties.

White Gravel

There are many uses for this decorative gravel options. Whether for a walkway or driveway, to a great option for drainage, you can't go wrong with this option. White gravel is available for delivery or to be shipped via rail. We offer this in 3/8", 1/2" and 7/8"

Southeast Only

3/8"

The 3/8" size is perfect for walkways. It gives a beautiful contrast to your property and matches any style building!

7/8"

7/8" is another great option for walkways or to use in flower beds. 7/8" White Gravel is great for drainage systems as well.

Cape Cod River Rock™

This decorative gravel is found in the sand and gravel banks, not far from Cape Cod Bay. You can see this stone color used throughout Eastern Connecticut, Rhode Island, Massachusetts, New Hampshire and even Maine.
